## Abundance for Orange County

Today, we find ourselves amidst a critical juncture, grappling with the effects of past drought, aging infrastructure, and policy and regulatory challenges that threaten the availability and sustainability of our water supply. What got us here, and how can we forge innovative solutions to increase Orange County's water supply for future generations?

Join more than 300 business professionals, elected officials, academics, and water leaders on September 5, 2025, as the OC Water Summit explores *Turning the Valve: Abundance for Orange County*.

## ABOUT THE OC WATER SUMMIT

Currently in its 17th year, the OC Water Summit is an innovative, interactive forum that brings together hundreds of business professionals, elected officials, water industry stakeholders, and community leaders from throughout Southern California and beyond.

Co-hosted by the Orange County Water District (OCWD) and Municipal Water District of Orange County (MWD OC), this unique event engages participants in discussion on new and ongoing water supply challenges, water policy issues, and other important topics that impact our economy and public health.

Prominent authors, world-renowned experts, and distinguished speakers will deliver presentations and engage in dialogue with participants on these critical issues. By sponsoring the OC Water Summit, you are investing in water reliability for Southern California. A variety of sponsorship opportunities are available to meet your organization's strategic goals. Please visit [www.OCWaterSummit.com](http://www.OCWaterSummit.com) for more information.

## SPONSORSHIP INFORMATION

We are currently seeking sponsorships from organizations like yours for our 2025 event.
